Hi Ephi,  
I'm leaving now. Please let me know if you haven't received it by tomorrow morning and I'll have one of my colleagues try to send it to you again or we can mail it.

Best,  
Gloria

Hi Gloria,

I've just left a voice mail asking whether you have sent the fax and verifying that you have the correct number in case you did. I just double checked and it is indeed the number I gave you : 732-873-3203. If you have not sent the report yet, do you have an ETA for it by any chance?

Thanks and talk to you soon.,

Ephi

Hi Ephig,

Thank you. It will take about a week to get your sanitized documents to you. At that time, I can send the fax to the facility in NJ. Do you have the number?

Best,  
Gloria

Dear Gloria,

Thanks for calling me today and suggesting to fax us the engineering report for our review. The finance department at our facility in NJ have a working fax that they maintain and is secure. If you could fax the report to them for the attention of Laura Gubernot that would be highly appreciated.

Thanks and please let me know if you need any additional information.
